November, 2016

The Driftless Area Art Festival marked its twelfth year in 2016, and we are happy to report on another successful event.

- We experienced record art sales...\$140,000 this year alone, adding up to over \$1,000,000 since we started in 2005. We've improved artists' incomes and helped make art endeavors viable businesses in our area.
- Our area is becoming known for its focus on foods, and we are part of it. Our food vendors sold over \$20,000 of local, often organic offerings.
- We've positively affected area businesses—motels, bed & breakfasts, campgrounds, restaurants, shops, service stations, orchards—who also benefit from our attendees. This year, using the established Wisconsin Department of Tourism formula, we calculated the regional economic impact of the art festival at nearly \$400,000.

We've made children an important component of the festival:

- Our KidsArt Gallery, KidsArt Creativity Zone, and Teen Art Gallery has been a place for children to express themselves and learn about art.
- Again this year, every child was able to give an artist (of any type) a "You are My Favorite Artist" award. This engaged the children and delighted the artists who received the awards.
- Auction of the 2015 winning KidsArt pieces returned \$575 to the art departments of area schools, and we awarded another \$500 through a drawing that included our participating schools. To date, we have contributed \$10,810 for art education in our schools.

The 2017 Driftless Area Art Festival will be held September 16-17 in Soldiers Grove, Wisconsin. Again, we are asking for your support, as income from booth fees cannot sustain an event of this caliber. We are simply asking for your pledge now, and will invoice you in June, 2017.

You are indispensable to our continued success. Thank you for what you have done in the past and for helping us this year and into the future.

Sincerely,

Jerry and Liz Quebe, Co-Chairs
